AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231
Box: Missing Parts

Sir:

This Amendment is filed with the response to the March 31, 1999 Notice to File Missing Parts in connection with the above identified application.

Please amend the subject application as follows:

In the Specification:

At the end of the Specification, please add the SEQUENCE LISTING, pages 1-56, enclosed herewith.

REMARKS

The subject application was filed without a Sequence Listing, although all sequences presented in the application as filed were referred to by SEQ ID NOs. This Amendment is being filed with the response to the missing parts notice to add the Sequence Listing. In compliance with the sequence rules, applicants have enclosed the following:

1. A computer readable 3 1/2" diskette containing the Sequence Listing;
